¹ Este compendio de referencias bibliográficas proviene del anexo del trabajo de Nora Lustig y Rafael de Hoyos “Política comercial, pobreza y desigualdad: el estado del conocimiento y la asignatura pendiente”, agosto 2008, preparado para LATN (Latin American Trade Network). Bajo “Referencias bibliográficas” se incluyen las publicaciones mencionadas en el texto, cuadros y gráficos de dicho trabajo. No se incluyen aquellas que aparecen en el compendio pero que no se mencionan en el texto, cuadros y gráficos. Las referencias y publicaciones que estudian o incluyen a la región latinoamericana, o países de la misma, están marcadas con un asterisco. Los autores agradecen a María Dávalos por su excelente ayuda en la preparación de las referencias.

² Rafael de Hoyos es economista de la Secretaría de Educación Pública en México y Nora Lustig es Shapiro Visiting Professor of International Affairs, George Washington University e investigadora visitante del Center for Global Development.
